President Joshua Lederberg  
The Rockefeller University  
1230 York Avenue  
New York, New York 10021

Dear President Lederberg:

In Chancellor Bowker's absence from campus, I am responding to your timely letter of April 9, 1979 in support of Professor Herman Witkin for a possible appointment under the Chancellor's Distinguished Professors and Lecturers Program for the academic year 1979-80. I understand that the Department of Psychology is currently preparing an application to this Program for Dr. Witkin, and I have therefore sent the Chairman of the Department a copy of your letter for inclusion in his recommendation.

For your further information about this Program, budgetary considerations limit the number of such appointments in any one year, and the many applications received are reviewed and recommended for appointment by a seven-member faculty committee.

We very much appreciate receiving your letter in support of Dr. Witkin.

Sincerely yours,

Hugh McLean  
Acting Provost

Chairman, Dept. of Psychology
